

NICOLÁS ARÉVALO

SOFTWARE ENGINEER

PERSONAL

I'm a student at the Universidad Surcolombiana. I'm passionate about the tech. I like to mix it with my desing passion too. I'm about to finish the college and I'm looking for new experiences. New challenges. Get out of my comfort zone.

API'S PROJECTS

March 2022

Lately, I've been doing APIs projects, consuming it to show the results. I linked it on my website. I did it using *Tailwind* framework of CSS and *JS vanilla*.

MY OWN WEBSITE

February 2022

I built it from the scratch. I did the desing a little bit different from the other portfolios. I used *React* and *Sass* to build it.

EDUCATION PROFILE

www.n9.cl/nico-diplomas

**UNIVERSIDAD
SURCOLOMBIANA**
Software engineering

From 2018 - present

I'm a program monitor, so I give support to the new semesters which give me even more experience and knowledge. A year and a half.

SCRUM FUNDAMENTALS

SENA

Systems Technician

With SENA, that introduced me to this amazing world.
